General Information

The application is supported by all modern browsers. We highly recommend that you use a current version of [Google Chrome](#), which supports Windows, Mac, and Linux platforms.

Prior to starting an application, please complete the following steps:

Step 1: Learn the country-specific requirements for submitting an application

Deadline dates and application requirements for a Fulbright grant vary from country to country. This Guide de candidature is for French citizens only. Please read [the program page](#), [the FAQ](#), and these instructions for the Programme Doctorant in France before starting an application.

To apply to the Programme Doctorant, you must:

- **Be a French citizen.** If you are not a French citizen, you must contact the Fulbright Commission in your citizenship country. If you hold both French and American citizenships you are not eligible to apply for a Fulbright grant. However, some of our partner foundations will accept your application.
- **Be currently enrolled as a doctoral student** at a French institution of higher education.
- Be invited to an American university or public research center (a letter of invitation must be included with your application).
- Candidates already in the United States or whose mobility in the U.S. begins before August 1, 2020 are not eligible.

Partner Foundation Grants: With just one dossier, French candidates can apply simultaneously to a Fulbright grant as well as any partner foundation grants for which they are eligible.

You will need to indicate the grants you're applying for in the "**Fiche de synthèse**" (link farther below) and upload it to your application under "Additional Documentation." Note that the Arthur Sachs grant requires supplemental materials.

Step 2: Record user name and password in a safe place

Your email address is your user name. When you create an account for this online application, record your password in a secure place. You can log in and out of the application as frequently as you like using your user name and password. If necessary, you can reset your password by clicking the "Forgot Your Password" link on the log-in page.

Step 3: Print this guide and complete the application online

Print this guide and refer to it step-by-step as you work.

You do not need to complete this application at one single time. You can save your work and re-enter at any time to continue your application. **However, once you SUBMIT your application, you CANNOT make changes to it.**

Please submit all documents online in Slate. **NO MATERIALS WILL BE ACCEPTED OUTSIDE OF THE ONLINE APPLICATION PLATFORM. Please do not send any documents to the Franco-American Commission** unless explicitly asked to do so.

To complete your application correctly, please answer all questions completely and carefully. Review these additional tips:

- Use upper and lower-case letters (e.g. John Smith). Avoid using all capital letters (e.g. JOHN SMITH). Do not use special characters, such as accent marks.
- Limit your responses to the space provided in all text boxes. Use abbreviations if necessary.
- Prepare required documents and save them in PDF format. It is highly recommended that to preserve any formatting and special characters in your documents, you upload them in PDF format.
- Required questions are marked with an asterisk (*). You will not be able to submit your application until all required items are complete.

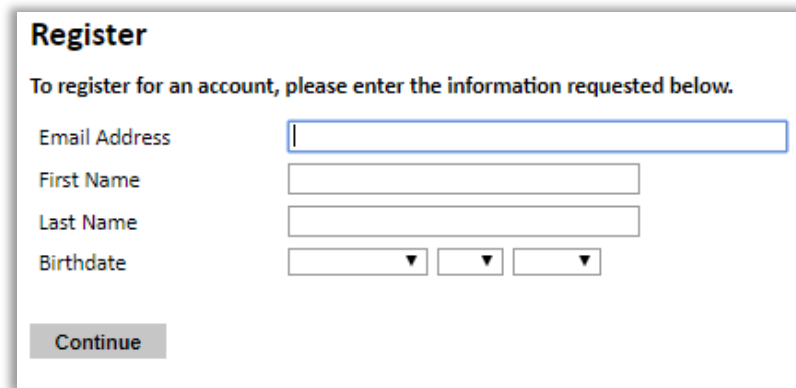

Step 4: Submit the application

Once you have entered all required information, including recommenders, and submitted the necessary documents, please review your application for errors. If all information is correct, submit your application. **Remember, once you submit you CANNOT make changes to your application.**

Your complete application, including recommendation letters, must be submitted online before **February 1, 2020 at 23h59**. As the website may be experiencing high traffic at this time, we strongly recommend submitting your application well before the deadline! Late applications will not be accepted.

Selection Process

Note : The Fulbright selection process is separate from the selection processes for our partner foundations.

Eligible applications are first evaluated by experts in the appropriate field then reviewed in a preselection committee. The Commission will notify all candidates of the results of this first step of selection in **early March**.

Candidates selected for an interview will receive a convocation notice by email. Interviews generally take place mid to late March at the Fulbright Commission headquarters in Paris. Candidates are matched with a multidisciplinary jury panel comprised mainly of Fulbright alumni according to their field of study. As each jury is present for one day only, **the date of the interview cannot be changed under any circumstances**. We can however accept interviews via Skype if a candidate is not able to come in person.

Following the interviews, both successful and unsuccessful candidates are notified by email typically sometime in April or early May. The recommended candidates are submitted to the [J. William Fulbright Foreign Scholarship Board](#) for final approval.

- Regional candidates (**Grand-Est, Hauts-de-France**) must also be approved by their Conseil Régional.
- Institutional candidates (**Université de Bordeaux, Université Paris-Seine, Université Paris-Saclay**) must also be approved by the partner university.

PARTNER FOUNDATION GRANTS: We will process your application and transfer it to our partner foundations. They will contact you directly if you are selected for an interview. Interviews for our different partner foundations take place between **February and June**.
