The application is supported by all modern browsers. We highly recommend that you use a current version of [Google Chrome](#), which supports Windows, Mac, and Linux platforms.

Prior to starting an application, please complete the following steps:

Step 1: Learn requirements for submitting an application

Deadline dates and application requirements for a Fulbright grant vary from country to country. This Guide de candidature is for **French citizens only.**

To apply to the **Programme Doctorant**, you must:

- Be a French citizen.
If you are not a French citizen, you must contact the Fulbright Commission in your citizenship country.
If you hold both French and American citizenships you are not eligible to apply for a Fulbright grant. However, some of our partner foundations will accept your application.
- Be currently enrolled as a doctoral student at a **French** institution of higher education.
- Be invited to a university, cultural institution or public research center in the United States for a period of 4 to 12 consecutive months. A letter of invitation must be included with your application.
- Candidates already in the United States or whose mobility in the U.S. begins before August 1, 2027 are not eligible.

Verify the eligibility requirements for the specific Fulbright Doctorant award you're applying for on our website: <https://fulbright-france.org/fr/bourses/doctorantes-doctorants>

Partner Foundation Grants: With just one dossier, French candidates can apply simultaneously to a Fulbright grant as well as any partner foundation grants for which they are eligible.

Please verify the eligibility requirements for each partner foundation on our website then **simply select which partner grants you are applying to in the “[Fiche de synthèse](#)”** (Additional Information - Country Specific Materials).

Step 2: Record username and password in a safe place

Your email address is your username. When you create an account for this online application, record your password in a secure place. If necessary, you can reset your password by clicking the “Forgot Your Password” link on the log-in page.

Step 3: Complete the application

Please submit all documents online in Slate. NO MATERIALS WILL BE ACCEPTED OUTSIDE OF THE ONLINE APPLICATION PLATFORM. Please do not send any documents to the Franco-American Commission unless explicitly asked to do so.

To complete your application correctly, please answer all questions completely and carefully. Review these additional tips:

- Use upper and lower-case letters (e.g. John Smith). Avoid using all capital letters (e.g. JOHN SMITH).
- You can copy and paste information into all text boxes.
- Limit your responses to the space provided in all text boxes.
- Prepare required documents and save them in PDF format. It is highly recommended that to preserve any formatting and special characters in your documents, you upload them in PDF format.

Recommendations

Use this section to register your recommenders. We accept letters in **English or French**.

Letters of reference are an extremely important element of your application. Please register exactly three (3) recommenders and invite them to submit a confidential reference letter online on your behalf.

- **Your “directeur de thèse” must be one of the recommenders.**
- However, your proposed host in the United States should not be one of your recommenders. They can show their support for you and your project in the Letter of Invitation.

Once you register your recommenders, they will receive an automatic email with instructions on completing the online recommendation form. You can track the status of recommendations, send reminders, and add/delete recommenders through this system before **and** after submission of your application. Letters of recommendation **must be** submitted directly by your recommenders via the online application.

All three reference letters must be submitted online before December 20, 2026.

It is your responsibility to ensure that your recommenders submit their letters before the deadline. Reference letters submitted after the deadline will not be taken into account.

Note that letters of reference can be written by teachers/professors under whom you have studied or pursued research, or by someone who has supervised you in work related to your proposed field of study. If possible, at least one academic and one professional letter (work or internship) should be included among the letters. Letters of reference cannot be written by people related to you either by blood or marriage, or by personal friends.

Selection Process

Note: The Fulbright selection process is separate from the selection processes for our partner foundations.

Eligible applications are first evaluated by experts in the appropriate field then reviewed in a preselection committee. The Commission will notify all candidates of the results of this first step of election by email around mid to late February.

Candidates selected for an interview will receive a convocation notice by email. Interviews are typically conducted virtually over Zoom in early to mid-March.

Candidates are matched with a multidisciplinary jury panel comprised mainly of Fulbright alumni according to their field of study. As each jury is present for one day only, **the date of the interview cannot be changed under any circumstances.**

Following the interviews, both successful and unsuccessful candidates are notified by email typically in late April or May.

- Regional candidates (Normandie, Hauts-de-France) must be approved by the Conseil Régional prior to notification.
- Institutional candidates (Université de Bordeaux, CY Cergy Paris Université, Université Paris-Saclay, Université Grenoble Alpes, CESI) must be approved by the partner university prior to notification.

The recommended candidates are submitted to the [J. William Fulbright Foreign Scholarship Board](#) and the U.S. Department of State for final approval.

For more information on the interview process, please consult the [FAQ](#) and our [website](#).

PARTNER FOUNDATION GRANTS: We will process your application and transfer it to our partner foundations. They will contact you directly if you are selected for an interview. Interviews for our different partner foundations take place between **February and June**.
