

Live, Learn and Teach in the USA through BridgeUSA!

If you are preparing for a career in education, we may just have the right program for you! Amity Institute works with American primary and secondary schools to offer *educational internships* for international university students and recent graduates. Gain confidence in the classroom while improving your English and experiencing the culture of the U.S.!

What will Amity do for you? We provide:

- Admissions: We determine if you meet the Department of State guidelines
- Getting your visa: We provide you the documents you need for your visa.
- After you receive your visa, we provide step-by-step guidance.
- Health Insurance Guidance
- An Individual Program Counselor throughout your stay in the U.S.
- Even after you leave, you will have Alumni opportunities!

Why should I apply? What's in it for me?

- A planned educational internship abroad
- The potential for credit from your university at home
- You will live with a host family that will provide room and board at no cost
- Full immersion into American culture and the English language
- The opportunity to travel and explore another country.

What about the visa and how long can I stay?

- Amity Institute sponsors the J-1 visa.
- Internships are offered for the academic year (9-10 months)

How much does it cost?

- Amity application fee (\$200)
- Sprintax TDS (\$20)
- Interns pay for their travel expenses, insurance, and visa fees.

Where can I apply?
